

## Letter of Recommendation

Editor Tanya Fallenius joined our team on the last five episodes of our magical winter TV series TROLLIE (2015, VRT/KRO). It was the first time that we worked together and certainly not the last! Tanya always tells the story from within and gets the maximum out the rough material. Where necessary, she stays with the emotion of the character, if needed she gives priority to the rhythm of the plot. Moreover, she knows to find a good balance between the timing of scenes versus the timing of larger storylines. Her ability to drive and motivate her team is a big asset.
