Letter of Recommendation for Tanya Fallenius

To whom it may concern.

Whenever I have the chance I try to connect with genuine storytellers. I had the opportunity to work with Tanya Fallenius on my short film "Route du Soleil". From the get go Tanya and I clicked. We share a passion for stories that matter.

Working with her was a great pleasure. To be able to listen to the vision of a director and still make it her own is a rare quality.

I loved the level of commitment to tell the story the best way possible and her persistence to prove me wrong when I was. :-)

I hope to share stories with her in the future. And also make films.

Sincerely,  
Karsten de Vreugd, Director
